A WORD FROM OUR LEAD PASTORS:

Dear New Life Church:

Thank you for taking time to read the 2022 New Life Church Annual Report.

We are looking back to the future! In this report you will see what God has accomplished this past year. We praise God for what He has done through the ministries of the church. It is truly remarkable. It was through your prayers, your generosity, and through your participation, that God has impacted the lives of thousands of people around the world.

As your new Lead Pastors, we are honored and humbled to be able to join what God is already doing at New Life. Our calling is to serve this congregation and community as we equip “the saints” to do the work of the ministry. We are called to make disciples and to seek the Lord for His vision and direction on a daily basis.

The mission of New Life Church is “following Jesus together.” He calls us to be His disciples. He calls us to become more like Him. He calls us to an eternal purpose in our communities and in our world. As we look ahead, we see God strengthening the foundation of the Church through His healing and wholeness, We see God empowering us anew through authentic worship, fervent prayer, and service motivated by God’s love. We look toward the future with faith and expectation.

We ask for your support through prayer, generosity, and invitation. Prayerfully consider who you can invite to the services. We are praying for a significant harvest of souls this Easter.

Thank you again for your sacrificial commitment to Jesus, without it none of this would be possible.

We are excited to follow Jesus together, as we contend for even greater things during 2023 and beyond.

Pastors Matt and Heidi Messner
